

REGULATORY PERSPECTIVES ON PRB USE FOR WATER QUALITY REMEDIATION

Brian Dudley

MassDEP

April 5, 2017

Underground Injection Control (UIC)

- ▣ Orleans
 - Located at Nauset Middle School
 - Issued under a UIC registration
 - Not regulated under Massachusetts Contingency Plan since already regulated and permitted under another program

- ▣ Model for other installations

Watershed Permitting

- ▣ MassDEP working on concept of watershed permits
- ▣ Particularly applicable to non-traditional approaches
- ▣ Can formally recognize management plans and require adherence to those plans
